8 Appointment Cancellation Policy

At Oueis Dentistry, appointments are made in advance by reserving the appropriate time slots to accommodate you and your treatment to be performed. Our staff spends time meticulously preparing for each appointment by sterilizing, organizing and arranging set-up items prior to your arrival. This ensures that we achieve the high standard of care and treatment that we pride ourselves on.

Therefore, we kindly ask for at least two (2) business days notice prior to any appointment changes or cancellations, so that we are able to waive the customary \$50 cancellation charge—a fee to offset some of the lost production and appointment preparation costs associated with your treatment. In addition, we can offer your appointment time to another patient.

We appreciate your help in this matter.
